Containing the freshest Advices Foreign and Domestick.

FROM AUGUST 10. TO AUGUST 17. 1738.

THE SPEECH OF THE HONOURABLE GEORGE THOMAS, Esq;

Lieutenant Governor of the Province of *Pennsylvania*, and Counties of *New-Castle*, *Kent* and *Sussex* on *Delaware*.

To the Representatives of the Freemen of the said Province, in General Assembly met.

Mr. Speaker, and Gentlemen of the Assembly,

I T is now more than Twelve Months, since I was appointed to the Governments of *Pennsylvania*, and the Three Counties of *New Castle*, *Kent* and *Sussex* upon *Delaware*; and entertain'd a reasonable Expectation of soon taking upon me the Execution of that Charge: But, notwithstanding no Objection was made, either to my Affection for his Majesty's Person and Government, or to my Character, I met with unexpected Delays, from the Objections started by Lord *Baltimore*, against your Honourable Proprietaries Right of appointing a Governor for the Three Lower Counties; which, however ill founded, subjected me to a tedious Attendance, and may have disappointed You of some necessary Laws. His Majesty however, through his great Justice, has been pleased to disregard those Objections, and through his Favour to approve of my Appointment, as well to the Government of the Three Lower Counties, as to that of *Pennsylvania*. And I can with great Truth assure you, That I have it much at Heart to approve my self in some degree worthy of that Favour, by such a Regard for His Majesty's Service, and the Happiness of this Province, as will bear some, tho' but a faint Resemblance of that Justice, Care and Affection, which His Majesty has so constantly exercis'd towards his Subjects in general. And I doubt not, from your known Attachment to His Majesty and his Royal House, of finding a ready Concurrence in every Thing, that may promote what is so much for my Honour, and your Interest.

ALTHOUGH it may seem unnecessary, from the long Experience You have had of the Hon. Proprietaries great Affection for the Inhabitants of this Province; yet I am particularly enjoyned to assure You, That they earnestly desire to preserve Peace and Harmony in it, and that they shall ever receive the most sensible Satisfaction, in promoting what may tend to its Prosperity: And I do this the more chearfully, as I am convinced of the Sincerity of their Professions.

I SHOULD, immediately on my Arrival here, have called You together, but that I was informed, your private Affairs required your Presence in the Country in that Season of the Year. And now, from the little time I have been with You, I persuade my self, that it will not be expected, I should enter into a particular Detail, of what may be proper for You to do this Session. And as most of You have been long conversant in the Publick Business of the Province, it seems indeed at this time unnecessary.

I HAVE only therefore to intreat You, *Gentlemen*, to preserve the Character You have so well deserved, of a peaceable & conscientious People, by avoiding all Strife and Animosity, by stifling all Party Disputes (if any such shall happen) in the beginning; and by maintaining that Christian Liberty, which has made this Province the Admiration of all its Neighbours.

IN me, You shall always find a steady Regard for Your civil and religious Rights, as they are the only rational Foundations of Society; as well as a constant Inclination to comply with all your Desires, so far as they shall be consistent with my Duty to His Majesty, the Rights of the Honourable Proprietary, and my own Character: And whatever shall be inconsistent with these, I am confident You will never ask.

August 8. 1738.

To the Honourable *GEORGE THOMAS*, Esq; Lieut. Governor of the Province of *Pennsylvania*, and the Counties of *New-Castle*, *Kent* and *Sussex* on *Delaware*.

The ADDRESS of the Assembly of the said Province.

May it please the Governor,

" WE the Representatives of the Freemen of the Province of *Pennsylvania*, in General Assembly met, return the Governor our hearty and sincere Thanks for the favourable Sentiments he is pleased to entertain of the People of this Province; and we do with the same Sincerity congratulate him upon his safe Arrival with his Family in *Pennsylvania*.

" AS the Disappointment which the People here met with, by the unreasonable Delay in the Governor's receiving the King's Approbation, gave them all a very sensible Concern, so thy Accession to the Government of

" this

" this Province, and the Counties of *New-Caſtle*, *Kent* and " *Suſſex* on *Delaware*, with the Royal Approbation, after " all the vain and ill-grounded Objections made by the " Lord *Baltimore* to thy Appointment for the ſaid Three " Counties, is a great and a real Satisfaction to us; and may, " we hope, convince our unkind Neighbours, that how- " ever ſucceſsful they may be in impoſing upon ſome a- " mong themſelves, with ſtudied and groundleſs Reports, " they will ever find it vain to depend upon Artifice and " Miſrepreſentation, when the Controverſy comes to be " examined and determined by the Wiſdom and Juſtice " of that excellent Prince our gracious Sovereign, whoſe " conſtant Care and Concern for the Happineſs of his Sub- " jects in general, and this freſh Inſtance of his Juſtice and " Goodneſs to us in particular, in his Approbation of thy " Appointment to be our Lieutenant Governor, demands " our utmoſt Gratitude.

" OUR happy Conſtitution, ſecured to us by the Wiſ- " dom and Goodneſs of our firſt Proprietor and Founder " of this Province, ſo happily continued to us under the " Government of his Honourable Deſcendants our preſent " Proprietors, and the Aſſurances we have from the Gover- " nor of their earneſt Deſire to promote the Peace and " Proſperity of the Province, juſtly entitle them to our " Affection and Zeal for their Honour and Intereſt.

" WE are obliged to the Governor for his Regard to " our private Affairs in the Country, in not calling this " Houſe together upon his Arrival here; and tho' it may " be inconvenient for us to be abſent from our Homes at " this Seaſon of the Year, yet to ſuch of the Publick Buſi- " neſs as ſeems moſt proper to be done at this Time, we ſhall, " with that Peace and Unanimity ſo juſtly recommended " to us by the Governor, endeavour to give all neceſſary " Diſpatch.

" WE receive with great Satisfaction the Governor's " Profeſſions of Regard for our civil and religious Rights; " Bleſſings (we acknowledge) without the Enjoyment of " which, no Society can with any propriety be ſaid to be " happy.

" THE deep Senſe we ſhall always retain of our own " Duty, and the King's Goodneſs to us, our Affection to " the Proprietors, and the Deſire we have of approving " ourſelves deſerving of the Governor's kind Inclinations to " promote the Honour and Intereſt of this Province, We " hope will always prevent our asking any Thing of the " Governor which may be inconſiſtent either with his Duty " to our Sovereign, the Rights of our honourable Proprie- " tors, or his own Character.

" THE Happineſs of being under the Adminiſtration " of a Gentleman of the Governor's diſtinguiſhed Abilities, " and well-known Attachment to the Principles of Liber- " ty, cannot fail to ſecure to him the Affections of the " People we repreſent, and an honourable Support ſuitable " to ſuch a Character.

Signed by Order of the Houſe,

6th Mo. 10. 1738. *A. HAMILTON*, Speaker.

To which the Governor was pleaſed to return the following ANSWER.

GENTLEMEN,

I Thank you for your very kind Addreſs; and hope nothing will ever happen that may reaſonably induce you to alter your Sentiments, either of the Honourable Proprietors, or my ſelf.

Rappahanock River in Virginia, July 24. 1738.

SIR,

AS you deſire to know the Nature and Succeſs of the Propoſal, made by Mr. *Huber*, on Behalf of the Farmers General of *France*, for the purchaſe of Tobacco here, I think I cannot give you a better Account of both, than by ſending you what was publiſhed in our Gazette, Numb. 92. immediately after the Propoſal was firſt cloſed with. To which I may add, that the Subſcriptions daily increaſe, tho' the dry Season we have had, has been ſome Obſtruction. I am myſelf a Subſcriber for Forty Hogſheads, and believe I ſhall increaſe that Subſcription, being convinced that the Price offered, is more than the Sort of Tobacco propoſed to be purchaſed, uſually produces in *England*; beſides the obvious Advantage of having the Money paid down upon Delivery of the Tobacco, without running any Kind of Riſque or Hazard. I am, Dear Sir,

Your very humble Servant,

To Mr. ********, *T. Turner.*
at *Philadelphia.*

Extract from the Virginia Gazette, Numb. 92.

SIR, *Williamsburgh, May* 5. 1738.

I Had the Pleaſure of your Letter with the incloſed Plan of Monſ. *Huber*, as it was at laſt agreed to by ſome eminent Gentlemen, who wiſh well to their Country. And ſince you do me the Honour to ask my Opinion of it, I ſhall obey your Commands in a few Words. The Sum of *Five Pounds* Sterl. allowed for every Hogſhead of *Aronoke* Tobacco, weighing 900 *lb.* at the Inſpectors Scales is certainly a living Price; eſpecially, as it is without Riſque or Deduction, and all the Money paid down. 'Tis true, ſome fortunate Gentlemen may have had more, ſince the Law; but I may venture to ſay, that where one has had more for this Sort of Tobacco, Three have had leſs. And if we can ſupply the *French* with what they want from hence, 'tis likely, that the reſt of the Tobacco we ſhall ſend to *England*, will yield a better Price than uſual; as the Merchants will have leſs to manage, and the irreſiſtible Charms of Ready-Money will be removed. 'Tis evident, that the Execution of this Plan, will bring a large Sum of Money into the Country, with which the Planter may go to Market, and purchaſe his Goods much cheaper, and at the ſame time, the Merchants here will be able to make quicker Returns, and contract fewer deſperate and outſtanding Debts. The multiplying of Money, will naturally raiſe the Value of Land and leſſen the Price of Labour, the Workman expecting to be paid in Caſh, with which he may buy all his Neceſſaries cheaper: Beſides if the Scheme ſucceed, it will induce the Inhabitants of *Norfolk*, and other Places, to build Ships to carry away the large Quantity of Tobacco that will be purchaſed, whereby great Sums will be ſaved to this Country, many Artiſans brought in, and many Sailors bred of our own; which will be ſo many Hands taken off from planting Tobacco, and much more uſefully employ'd. In one Word, which way ſoever I turn this Plan, it appears to my View, big with Advantages to this Country, and in no Inſtance prejudicial to the general Intereſt of *Great-Britain*. Theſe, Sir, are my Sentiments, which are, however, ſubmitted to your better Judgment, by

Your moſt humble Servant,

To Mr. ------- *Philopatris.*

On Monday *laſt there was a Meeting here, of many eminent Gentlemen, to conſult of the Scheme mention'd in the above Letter, who, after hearing Mr.* Huber's *Propoſals, and maturely deliberating thereon, came to a final Determination to agree on the following Terms.*

WHereas Mr. *Edward Barradall*, of *Williamsburgh*, in *Virginia*, and Mr. *Philip Thomas*, of *Anne-Arundel* County, in *Maryland*, are impowered by the Agent of the Farmers-General of the United Farms of *France*, to buy for the ſaid Farmers, Fifteen Thouſand Hogſheads of Tobacco: And propoſe to purchaſe Tobacco of the Growth of *Virginia*, upon the following Terms, *viz.*

To pay for every Hogshead of Tobacco, delivered at ſome Publick Warehouſe, upon Potomack, Rappahanock, *or* James *River, weighing* 900 *lbs. nett,* *L* 5 0 0 *Sterl.*

And ſo in Proportion for every Hogshead weighing more than 900 *lbs. nett.*

For every Hogshead delivered as aforeſaid, weighing 850 *lbs. nett,* 4 12 0

And for ſo much as the ſame ſhall weigh more than 850 *lbs nett, at the Rate of Eleven Shillings Sterling per Hundred.*

For every Hogshead weighing 800 *lbs nett,* 4 4 0

And ſo in Proportion for ſo much as the ſame ſhall weigh more than

than 800 *lbs. nett. But no Hogshead to be accepted under* 800 *lbs. nett.*

And where one Perſon ſells and delivers any Number of Hogsheads, the Weight of the ſame to be taken upon an Average, in Proportion to the Weight of the Whole.

The Purchaſe Money to be paid upon Delivery of the Inſpectors Notes, and according to the Weight mentioned in the ſaid Notes, either in Bills of Exchange, or Caſh, with an Allowance of 25 *per Cent.* for the Difference of Exchange. But no Allowance is to be made to the Seller, for Cask, the Charge of Inſpecting, or other Charge whatſoever.

Upon which Terms the ſaid Mr. *Barradall*, and Mr. *Thomas*, propoſe to contract for Two Years, *viz.* for the Years 1739, and 1740. And expect in a ſhort Time to have a ſufficient Power to contract for Four Years more.

NOW We, whoſe Names are hereunto ſubſcribed, approving and being willing to encourage the ſaid Propoſal, Do hereby ſeverally engage to deliver to the ſaid Mr. Barradall, *and Mr.* Thomas, *or either of them, their, or either of their Aſſigns, upon the Terms aforeſaid, ſo many Hogsheads of Tobacco, at ſuch Time and Place, and to accept for the ſame, either Bills of Exchange or Caſh, as ſhall be particularly mentioned or ſet down againſt our reſpective Names hereunto ſubſcrib'd.*

N. B. The lateſt Time of delivering the Tobacco, muſt be the laſt of *July*.

LONDON, April 19.

LETTERS of the 16th of March, O. S. from Petersburgh ſay, the Court has received an Expreſs from the Veldt Marſhal de Munich, with Advice, That it has been reſolved in a Council of War, that General Laſcy is to keep his Troops in a Body ready for any Event, while the Count de Munich goes with his Army upon a conſiderable Enterprize, in which he is to employ above 200 Cannons and 50 Mortars.

They write from the Hague, that as the Report more and more increaſes, that the Emperor was determin'd to yield up the Dutchy of Luxemburgh to France, in conſideration of an Equivalent which is not yet publickly ſpecified; the States General have thought themſelves under a Neceſſity of demanding an Explication upon this Affair. For this purpoſe, Count d Ulefeldt, Miniſter of the Emperor, had been invited to a Conference with the Deputies of the States General; in which it was declar'd to him on the Part of their High Mightineſſes, that according to common Report, the Dutchy of Luxemburg and ſome other Places of the Auſtrian Low-Countries, had ſome Months ago been agreed to be given up to France, and that the Republick having a very particular Intereſt in a Ceſſion of ſuch Importance, their High Mightineſſes inſtantly intreated the Emperor to explain himſelf upon this Subject, to the end, that if there be any Reality in the reiterated Intelligence they have receiv'd of this Affair from all Quarters, the States General may be inform'd of it in Time, in order to avoid the great Inconveniencies which may reſult therefrom; or on the other hand, that all Suſpicions and Jealouſies may be remov'd in caſe there be nothing of Truth in what has been publiſh'd upon this Subject, as they have room to hope from the ſolemn and repeated Promiſes to the Emperor and the King of France, and that by the Peace concluded between their Imperial and moſt Chriſtian Majeſties, there ſhould not any Alteration be made in the preſent Dominions which the Emperor poſſeſſes in the Low-Countries, *&c.* After this Declaration, the Deputies very much exhorted Count d'Ulefeldt immediately to write thereupon to Vienna, and to preſs for a ſpeedy Anſwer to this Declaration. The ſame Evening an Order was ſent to M. Van Hoey, to demand of the Court of France, that ſince an Aſſembly of Commiſſaries were going to be held at Liſle for the Regulation of the Limits between the Territories of the Emperor and thoſe of France, and that the States General being intereſted in what ſhould concern the Limits of the Auſtrian Low-Countries, they flatter themſelves that his moſt Chriſtian Majeſty, as well as the Emperor, would make no Difficulty of admitting a Commiſſary there on the Part of their High Mightineſſes.
